THE ORIGINAL

*benno*<sup>®</sup>

# We configured it out.

What most people really need is a bike that can carry cargo, not a cargo bike that's only good for one purpose. So we designed Benno bikes that can be configured to carry everything from kids to camping gear, without compromising ride and looks. As life changes, so does your Benno.

## WHY WE DESIGNED A BETTER EBIKE

We believe ebikes have the power to change things for the better. To get more people outside, out of cars and out of excuses. Designing bikes for a higher purpose requires that we build them to a higher standard—with the perfect blend of ride, capability and style.

## HOW WE BUILD A BETTER EBIKE

We don't build electric toys. We build true 2-wheeled transportation. Every Benno is designed around a bulletproof, Bosch mid-drive electric motor and battery engineered for performance and longevity. Each frame is built to precise tolerances and every component is of the highest standard. But Benno ebikes are even more than the sum of their parts. Each model is crafted to fulfill the awesome potential of ebike technology.

## **BOOST**

### **THE BOOST DOES MORE, SO YOU CAN DO MORE.**

The Benno Boost, with Etility® Design, is up for anything and able to carry more than 3x the load of a typical bike. Flatten hills and shorten distances with the industry leading Bosch mid-drive electric motor and dual battery option, delivering unrivaled performance with up to 160 miles of range. The award-winning Boost is many bikes in one, with a smart, interchangeable rack and rail system that lets you pick and choose from dozens of possible configurations to suit the mission and your lifestyle.

# BOOST

## EVO5

**Multifunction Utility Rack**  
fits two child seats or passengers, rails, pads, side-loaders, large panniers and wheel guards (max load 130lbs/60kg)

**DualBattery Option**  
for up to a 1000Wh (CX/Speed models)

**Compatible with all Benno Front Trays**  
(sold separately)

**Shimano Deore**  
10-speed drivetrain

**Benno Dual Kickstand**  
Compatible

**New Oversized Rear Triangle**  
stronger, beefier and more rigid seatstay and chainstay

**Thru Axles**  
front and rear

**Magura Hydraulic Disc Brakes**  
4 piston front / 2 piston rear

**Only 45mm Longer than a Regular Bike**  
1905mm long

## BOOST INFO

### FITS WIDE RANGE OF RIDERS

### LOAD AND PASSENGERS

Max Gross Weight: 440lb/200kg (Rider + Cargo + Bike)

Be aware, when added together, the individual load ratings shown for the rider and cargo plus the actual weight of the bike will exceed max gross weight. Therefore, while you may maximize selected individual load ratings, the sum of all loads cannot exceed the max gross weight (rider + cargo + bike ≤ 440lb/200kg).

REAR PASSENGER OPTIONS:

MAX 130lb / 60kg

Correct passenger accessories must be installed properly in order to carry passengers.

# 46er

## **NOT ALL WHEELS ARE CREATED EQUAL.**

The 46er is the same length as a regular bike. And that's where all similarities end. We ditched convention and added capability. Enough to make any cargo bike sweat. And gave it a sporty ride and front suspension. This unequaled combination of ride and capability starts with unequal wheels. 26" in the front for extra comfort and control, and 24" in the back for strength and a lower center of gravity. All powered by the Bosch CX/Speed and a 500Wh intube battery. Born of true Etility® Design, the 46er is reshaping the future of the ebike. For Benno Bikes and the industry.

### Multifunction Utility Rack

fits single child seat or passenger, rails, pads, side loaders, large panniers and wheel guards (max load 130lbs/60kg)

### 1000Wh DualBattery Option

500Wh integrated battery plus 500Wh battery pack option on seat tube

Compatible with all Benno Front Trays  
(sold separately)

Front Suspension Fork  
Suntour ebike rated  
75mm travel

24" Rear Wheel for  
strength and lower  
center of gravity

Shimano Deore  
10-speed drivetrain

Benno Dual  
Kickstand Compatible

26" Front Wheel  
for extra roll,  
comfort and  
control

Thru Axles  
front and rear

Magura Hydraulic Disc Brakes  
4 piston front/2 piston rear

Same Length as a Regular Bike  
1860mm long

Be aware, when added together, the individual load ratings shown for the rider and cargo plus the actual weight of the bike will exceed max gross weight. Therefore, while you may maximize selected individual load ratings, the sum of all loads cannot exceed the max gross weight (rider + cargo + bike ≤ 420lb/190kg).

Correct passenger accessories must be installed properly in order to carry passengers.

eJOY

---

## THE STEP THROUGH THAT RAISES THE BAR.

The eJoy, with Etility® Design, is so much more than cute. This is a seriously smart, seriously capable bike built around the industry leading Bosch mid-drive electric motor. The sturdy rack and available front trays and storage bags let you carry 2x more weight than the typical bike. The comfortable, upright riding position gives you confidence and control, even while carrying cargo. And for that extra precious cargo, the eJoy, is 100% compatible with most premium child seats.

eJOY

**Oversized Rack**  
fits single child seat, large  
city panniers and most  
generic pannier bags  
(max load 85lbs/ 40kg)

**Easy On**  
low step thru frame  
for easy on and off

**Compatible with all  
Benno Front Trays**  
(sold separately)

**Herrmans Lights**  
front and rear

Available as  
**Shimano Internal 5-Speed (5i)**  
or **Deore 10-Speed (10D)**

**Frame Mounted ABUS Lock**  
same key as battery

**Enclosed Chainguard**  
keeps looks and pants clean

**Shimano Hydraulic Disc Brakes**  
160mm rear/180mm front

### LOAD AND PASSENGERS

Max Gross Weight: 400lb/180kg (Rider + Cargo + Bike)

REAR PASSENGER OPTIONS:

MAX 85lb / 40kg

Be aware, when added together, the individual load ratings shown for the rider and cargo plus the actual weight of the bike will exceed max gross weight. Therefore, while you may maximize selected individual load ratings, the sum of all loads cannot exceed the max gross weight (rider + cargo + bike ≤ 400lb/180kg).

Correct passenger accessories must be installed properly in order to carry passengers.

RemiDemi

---

**MADE FRESH  
FROM SCRATCH.**

The RemiDemi® breaks all the rules of how a bike is supposed to look and ride. We gave it small wheels and fat, grippy tires for major maneuverability. A thick, sturdy frame with a convenient low step through. And an upright seating position atop a wide saddle that puts you in total control. The RemiDemi loves to play, but it can also put in heavy work with a powerful Bosch mid-drive electric motor, Shimano Sora 9-speed and hydraulic disc brakes, and available accessories that give you countless clever ways to carry a child or loads of cargo.

## RemiDemi XL

---

### STRETCH GOALS.

This RemiDemi XL has a little something extra in the back. Extended cargo capability so you can take on even bigger everyday adventures. And bring two passengers along for the ride with child seats or Benno passenger accessories. The RemiDemi XL is a fun and compact powerhouse that punches way above its weight with a max gross load of 420lbs/190kg, a multifunction XL rear rack and a hard-charging Bosch mid-drive electric motor. Turn heads, carve corners and feel free to get a little extra with the RemiDemi XL.

## THE ETILITY BIKE

A typical ebike offers a nice ride, but not much utility. A cargo ebike carries heavy loads, but can be difficult to maneuver. We believe what people really need is an everyday ebike engineered with the perfect blend of ride dynamics, cargo capacity and good looks. Awesome agility with the ability to carry exactly what you need. We call it Etility® Design and it's at the heart of every Benno ebike.

### RIDE

A great ride is the most essential ingredient. Because a bike that's more agile, stable and maneuverable is ultimately more enjoyable.

### LOOKS

Design that looks good is also about making sure you look and feel great riding a Benno—with and without cargo.

### CARGO

Etility design means you can easily carry more cargo when you want to without having to pedal and store more bike than you need to.

## THE PERFECT BLEND
